

The European Museum Night. The Night Tales

An unusual visit to The Lublin Open Air Village Museum - a night walk in the picturesque scenery of the village and town. "The Night Tales" is an opportunity to listen to folk lullabies, to face Slavic demons and a folk healer. It is also a journey into the world of superstitions and folk demonology.

The number of places is limited. Phone reservation required.

Telephone booking will start during the week preceding the event.
