

FLAX SUNDAY

30th of August 2020

We invite exhibitors

Dear guests and exhibitors, this week we invite you to join our event "Flax Sunday." Flax will reign all over the open air museum on Sunday. We will be hosting flax harvest, demonstrations of flax processing and a special exhibition. We would like to complement this event with sale stands broadly connected to flax – textile products, oils, etc.

The number of seats is limited, and the price depends on the type of stand. We invite you to reserve places for your stand and to contact us at the following telephone number: 81 533-85-13 ext. 66 or 533 110 920.
