

PRESENTATION OF CANNABIS SOWING

This Wednesday (**19th of May**), the visitors of the Lublin Open Air Village Museum will have the opportunity to see the cannabis sowing presentation. The presentation will start at noon on the little field near the forge from Urzędów in the Lublin Upland sector.

The presentation of cannabis sowing will occur for the first time in the Lublin Open Air Village Museum. The seeding is the initial state of the cultivation of the cannabis from which, later on, the village inhabitants made oil and ropes or plain weave for the clothing and sacks.
