

"Love and longing are the two rules of living"

Saint Valentine's Day at the Lublin Open Air Museum 13th of Feb 2022

On Sunday, 13th of Feb 2022, everyone who visits the Lublin Open Air Village Museum will be able to take part in a live music concert preformed by Lublin Orchestra of Popular Music "FeelHarmonia". On this special Sunday afternoon we also invite you to take a closer look at the altar of Saint Valentine in the Church of Matczyn - the oldest building at the Museum; and listen to the real story about the Saint's life. Additional, the program of the day includes a guided tour along the trail of the Ballad of unhappy love which has remained a material trace and over the decades found its place in the Lublin Open Air Village Museum. Finally, we will visit the cottage form Żabno, where you could hear how the courtship of bachelors looked 100 years ago. The meeting will be accompanied by melodies that wandered around provincial markets and fairs in the past, as well as those once sung under the windows of maidens.
