

XXIV Lubelskie Święto Chleba

4 września 2022

W niedzielę **4 września 2022 r.**, w Muzeum Wsi Lubelskiej odbędzie się **XXIV Lubelskie Święto Chleba**. Wydarzenie to, to doskonała okazja do spotkania rzemieślników piekarstwa i cukiernictwa z Lubelszczyzny z konsumentami. Ideą święta jest uczczenie chleba, który jest symbolem szacunku do ciężkiej pracy, dostatku jak i gościnności. Podczas wspólnego świętowania nie zabraknie tradycyjnych wypieków czy produktów regionalnych, zabaw i konkursów.

Tegoroczna edycja Lubelskiego Święta Chleba będzie odbywała się pod hasłem: "**Wpływ dobrego jedzenia na jakość widzenia**". W trakcie trwania imprezy będzie można również zbadać wzrok, zasięgnąć porad wykwalifikowanych optyków na temat doboru okularów oraz wziąć udział w konsultacjach na temat tego, jaka żywność ma wpływ na jakość naszego wzroku. Nie zabraknie również muzyki ludowej, która będzie rozbrzmiewać ze sceny przy miasteczkowym rynku.

Ponadto tego dnia w Muzeum Wsi Lubelskiej, w chałupie z Żukowa (sektor Wyżyna Lubelska) w godz. 10:00-13:00 odbędzie się pokaz wypieku podpłomyków. Natomiast o godz. 13:30 zaprosimy na ich degustację.

Szczegółowy program znajduje się poniżej na plakacie wydarzenia.
