

NOVELTY!

Rides in a horse-drawn carriage and in a saddle

From January 10, 2023, a new attraction for children, youth and adults has been introduced to the Museum. Every week, from Tuesday to Sunday, our visitors will have a chance to ride in a horse-drawn carriage and in a saddle. Attraction is included in a ticket price.

Short rides in a saddle are dedicated to children and teenagers (up to 50 kg). The venue is the homestead from Tarnogóra (Lublin Upland sector). Rides will be supervised by a museum employee. The consent of a parent or legal guardian is required.

Additionally, to all visitors, regardless of their age, Museum offers horse-drawn carriage rides. It starts nearby the Manor of Huta Dzierżyńska (Manor Sector).
