

WORKSHOPS OF MAKING CUT-OUTS

Paper cut - outs are one of the forms of decoration strictly linked to polish folk culture. In the Lublin Village Museum, interior exhibitions are frequently decorated with such the forms of cut - outs like curtains, which can be seen in the Huts from Żukowo or from Żabno. You will be able to make such a nice thing during April workshops in the our art studio. It will not only be a perfect souvenir from the Lublin Open Air Village Museum, but it can also be a beautiful decoration for a kitchen window or a home cupboard.

The workshops are open for adults and secondary school students. We provide materials and tools. The works created during the workshops will be the property of the authors.
